## The Broadmoor Hotel to Offer Verve Energy Drink *Guest wellness to get a boost of healthy energy*

Scottsdale, AZ - Vemma Nutrition Company announced that The Broadmoor Hotel in Colorado Springs, Colorado has chosen to offer the company's energy products, Verve Energy Drink and Verve Energy Shot to guests of their exclusive Spa and Fitness center. Located on 3,000 lush acres under the shadow of Cheyenne Mountain, The Broadmoor Hotel is the longest-running consecutive winner of both the AAA Five-Diamond and the Mobil Travel Guide Five-Star awards. The Broadmoor Hotel will join Verve's established list of credible partnerships, which include the Phoenix Suns<sup>®</sup>, Phoenix Coyotes<sup>®</sup>, Phoenix Mercury<sup>®</sup> and Shawne Merriman as well as the prestigious Sea Spa at Loews Coronado Bay and Rancho Bernardo Inn.

As visitors escape the everyday and indulge in an extraordinary luxury spa experience, Verve will give guests a convenient way to get the vitamins and minerals their bodies need and the energy they crave.\* The Spa at The Broadmoor offers a wide variety of indulgent delights designed to help you look and feel your best.

Vemma Nutrition Company, creator of the liquid dietary supplement Vemma, insanely healthy Verve Energy Drink and newly released Verve Energy Shot, is a privately owned business based in Scottsdale, Arizona. Supported by a global network of independent distributors and through hybrid marketing at select retail locations, Vemma and Verve products are available in over 50 countries worldwide.
