

# V @ M M A Leadership weekend

swim  
with the  
dolphins

Ever dream of swimming with the Dolphins? It truly is an amazing experience and now you have the chance to do just that! Vemma is thrilled to announce Leadership Weekend at the world-class Hilton Waikoloa Village® on the Big Island of Hawaii, July 27-29, 2006. If you've never visited this unbelievable destination you simply won't believe your eyes! From the moment you arrive you'll feel like absolute royalty. And as a Vemma Leader, you are! Mere words do not do justice, so check out [www.hiltonwaikoloa.com](http://www.hiltonwaikoloa.com) to discover all you have to look forward to!

This event will be flowing like lava with incredible speakers, exciting corporate announcements, the latest trends in Vemma and the network marketing industry and many other surprises! This is a gathering where leaders have the opportunity to meet and learn from the "upper echelon" of Vemma. So set your goals and your sights on what will be an absolutely unforgettable experience for all!

In this gorgeous island paradise setting we wouldn't dream of keeping you cooped up in a hut all day. There will be plenty of fun in the sun! Parties, receptions and plenty of free time will allow you to meet Vemma's big Kahunas! This is where we really roll out the red carpet just for you. Pupus and pina colodas are on me! Now, put the conch shell up to your ear and listen close . . . if you get 5 people in the first three tiers of your enroller downline to attend the Vemma Leadership Weekend with you, I'll treat you to an extra special exclusive cocktail reception held in your honor. Believe me, you won't want to miss this one, so start contacting your leaders now and get them registered right away!

Thinking of bringing the kids along with you to paradise? Great idea! There are all kinds of awesome things for your whole family to enjoy together on this spectacular island, including swimming with the dolphins! And if you and your special someone are looking for some private time, your children can enjoy the super fun, well-supervised Camp Menehune and Dolphin Quest Learning Lagoon where they'll have the time of their lives! Make this your 2006 family vacation and we guarantee, they'll love you for it!

What to wear? Think tropical! Vemma Leadership Weekend is casual. No black tie or suits, gowns or high heels. Guys, pack your nice walking shorts and favorite aloha shirts! Ladies, now is the time to break out those adorable sun dresses (hula skirts and coconuts optional)! Oh, and make sure you pack the swimwear and flip-flops for those lazy days at the pool or lagoon. There will be endless photo opportunities so don't forget your camera. Bring lots of business cards too; Vemma Leadership Weekend is a fabulous chance to network with other Leaders and all the other nice island residents and visitors you'll meet while you're there. Don't be shy, sign 'em up! What a wonderful place to go back and visit the new people you bring into your organization! Better yet, it's tax-deductible!

Vemma Leadership Weekend will be here before you know it and space is limited, so mark your calendars today and make sure you register early to reserve your place in paradise! Can't wait to see you there!
