Important Legal Stuff

The contract for your vehicle will be between you and the dealership, the lender, and/or leasing company. Vemma is not a co-signer, guarantor or a party to these contracts and will not make any payments on your behalf, or have any other obligations under your purchase or lease. Your Premier Club Bonus will be paid to you directly and it is your responsibility to pay the dealer/lender, leasing company, University or Junior College or Student Loan Lender. You should not buy or lease a car if you are not comfortable with the purchase, loan or lease agreements. You should not enroll in a University or Junior College if you are not comfortable with making tuition payments. If in any month you do not qualify for the Premier Club Car Bonus, you are still responsible for making the car payment and fulfilling your contractual obligations. You are also responsible for all insurance, maintenance and repairs on the car. Vemma will have no responsibility or obligation for any of these.

In addition, all liability related to the purchase and/or operation of your vehicle is solely the responsibility of the Premier Club Affiliate.
